

The DIY Dish

Valentine Placemats

Before printing the patterns, be sure of the following:

- ✓ **Page scaling** is set to "none."
- ✓ **Shrink page to paper size** is not checked.
- ✓ **Auto-rotate and center** is not checked.

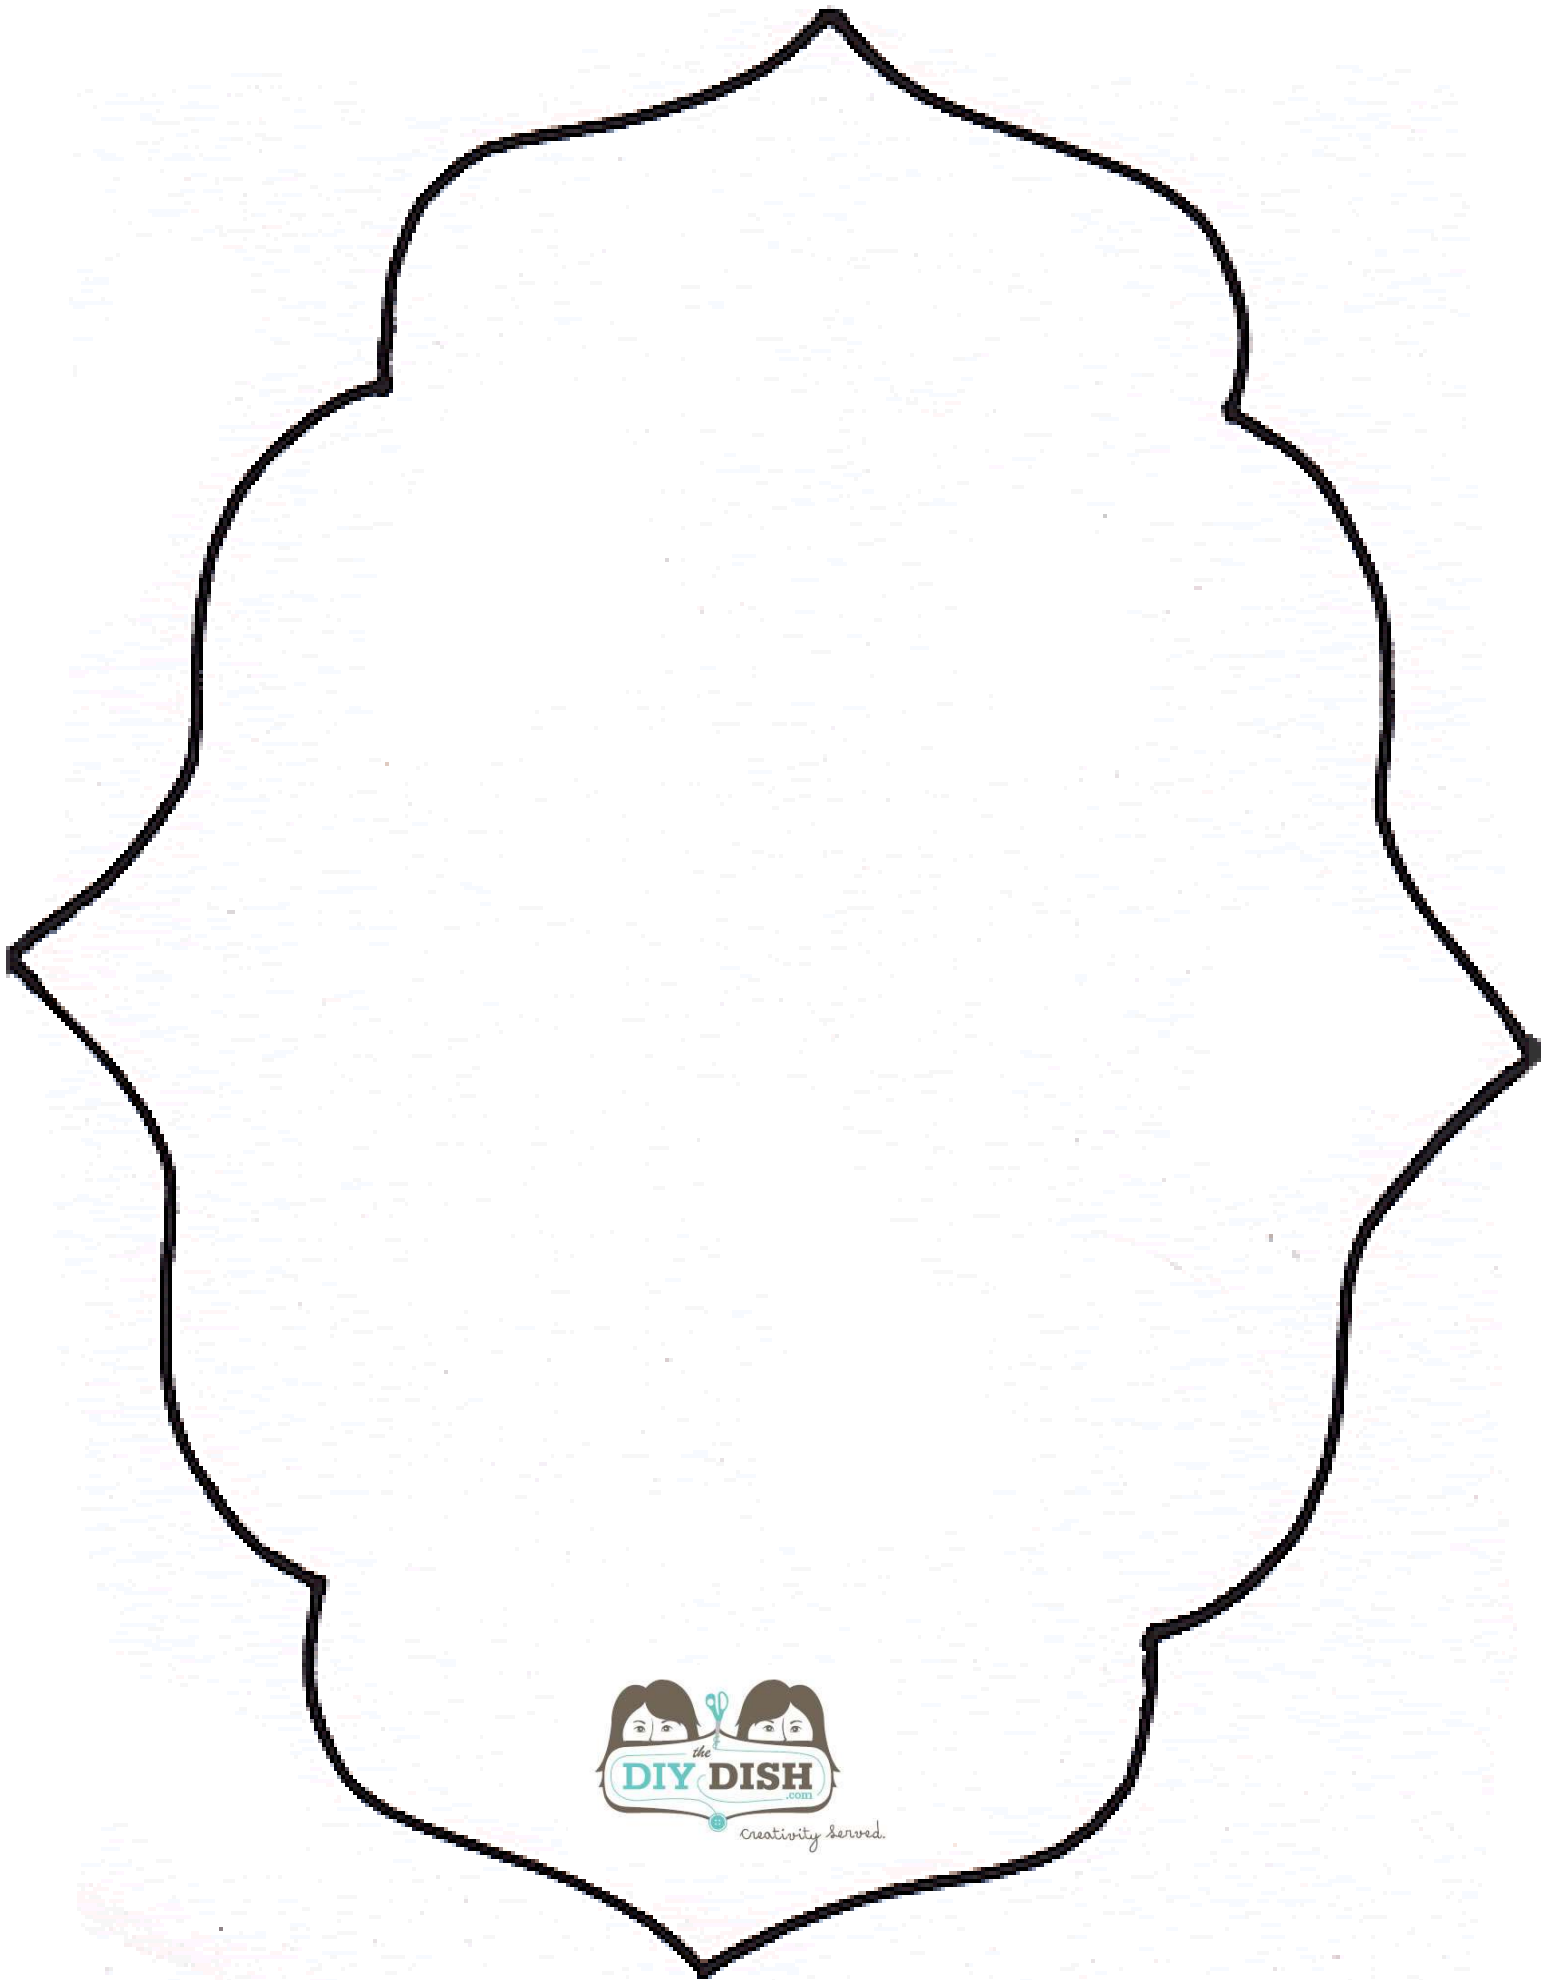

These settings are found in your print menu.

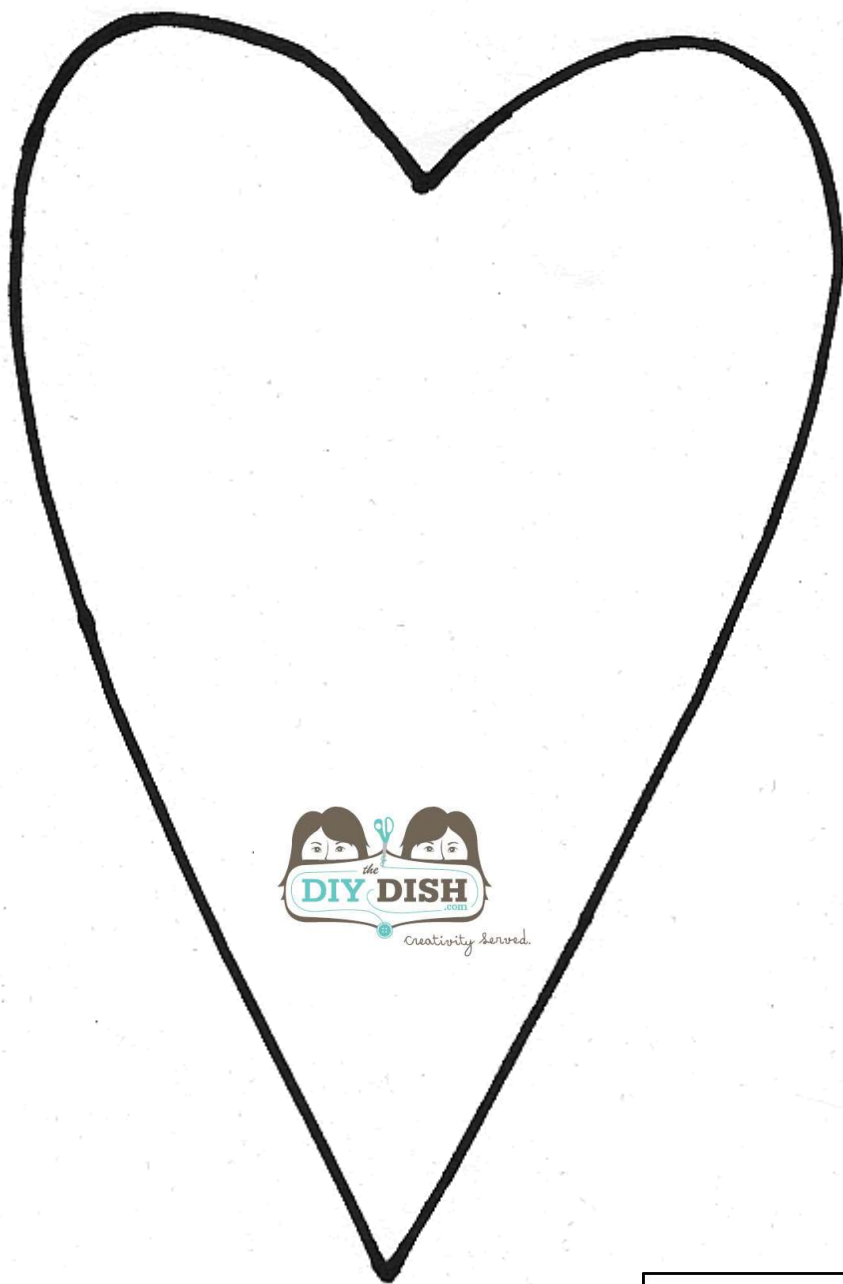

Materials Needed:

(per placemat)

- 5 x 13.5" strip of fabric
- 13.5 x 13.5" square of fabric
- Scrap fabric for appliqués
- HeatnBond Lite (if sewing)
- HeatnBond Ultrabond (if no-sew method is used)
- HeatnBond Fusible Fleece
- Fabric for the Back of Placemat
- Iron
- Coordinating Thread
